

# Nick DiDia

Nick DiDia has engineered some of the biggest rock records of the past decade, including:

- five albums for Stone Temple Pilots
- five albums for Pearl Jam
- two albums for Rage Against The Machine
- four albums for Bruce Springsteen
- two albums for Train

Plus albums for The Offspring, Matthew Sweet, Michael Penn, Paul Westerberg, and others. Collectively these records have sold more than 35 million copies.

As a producer, Nick helmed phenomenally successful albums for the Australian band, Powderfinger. He also produced the gold debut (500,000 copies) by Nine Days, which spawned the hit single, "Absolutely (The Story Of A Girl)." In addition, he's produced critically acclaimed records for Rose Hill Drive and Trial Kennedy.
